Fee Rebates Now Available for Non-ECU ATMs Located in Texas

At Eastman Credit Union, we are always searching for ways to add extra value and convenience for our members, and we understand that there are currently limited options for surcharge-free ATMs in the Texas area.

That's why we are now rebating fees for non-ECU ATMs located in Texas (up to \$10 per month)!

That's right! When you use a non-ECU ATM located in Texas and are charged a fee by that ATM, you will receive a rebate to your account for the amount of the fee (up to \$10 per month).

You'll be able to see the rebate to your account on the following business day of your eligible non-ECU ATM transaction.

You will no longer have to go out of your way to find an ECU ATM or pay unnecessary fees at another financial institution's ATMs. Isn't that convenient?

And that's what it means to have ECU Beside You!
