ELIZABETHTON BRANCH IS UNDER CONSTRUCTION

Officials broke ground on Thursday, April 20th, celebrating a future branch location planned to open in early 2024 across from Sycamore Shoals at 1520 West Elk Avenue in Elizabethton, TN.

“What an exciting day. We are all eager for this branch. Much work has gone into this site’s acquisition and preparation to get us to this point. We appreciate the hard work of many people whose dedication is making this branch a reality,” said Kelly Price, ECU’s president and CEO.

The Elizabethton branch will have several modern and digital updates. Members will enjoy ECU’s full-service offerings, including teller services, lending and deposit services, and mortgage lending services. It will also include ECU’s new curbside service in addition to drive-through tellers, a drive-through ATM, a night depository, and safe deposit boxes. A fresh, updated look and feel will complement these traditional features.
